Murray Peterson's commitments:

- Government should serve us not bully us.
- Ensure government is just and treats everyone equally without favouritism. Justice and fair laws are more important than making laws easy to enforce that are unfair.
- Protect freedom of speech - 'Political Correctness' is incorrectness - people must have the right to express their opinions and beliefs without fear.
- Promote considerate cooperative employer & employee teamwork for common goals and benefits (avoid 'us against them' confrontations)
- Ensure Adani Coal Mine goes ahead if all environmental requirements are met (No damage to Artesian Water, etc.).
- Convert existing coal fired power stations to geothermal power to eliminate fuel cost and emissions.
- Government should not discriminate against people who have informed conscientious objection to medical treatments.

- Improve medical treatment capabilities at Gladstone Base Hospital, including renal dialysis so fewer patients have to travel outside the region to receive treatment.
- More choice in medical treatments, including alternative cancer treatments such as radio wave therapy
